

As is our tradition, in lieu of individual customer or provider seasonal gifting, we have selected a handful of organizations to receive funds as part of our corporate year-end giving. This is our way of honoring our loyal customers and providers, and our employees.

The following very worthy organizations have received contributions:

Children's Hospital of Michigan – Detroit Michigan
Shriners Hospitals for Children – Cincinnati Ohio
(both are premier children's hospitals helping ALL children)

The Alzheimer's Association of Michigan – Great Lakes Chapter
The Alzheimer's Association of Ohio – Toledo Chapter
(the leading, global voluntary health organization in Alzheimer's care and support and the largest private, non-profit funder of Alzheimer's research)

Doctors Without Borders USA – Hagerstown Maryland
(a worldwide non-profit organization helping all ethnicities providing emergency assistance to people in nearly 80 countries)

Please join me in the "Joy of Giving", and the satisfaction of knowing that our successes are being shared with organizations who are doing great work in our communities and throughout the world

Thank you all for helping to make this possible.

Happy Holidays to you all and my best wishes for a Happy & Healthy New Year.
